To Liberal Leadership Candidate Ken Dryden

I understand, and appreciate how you are not in control of Canada's government, but are choosing to expend the time and all the other costs to serve Canada. I don't know how familiar you might be with my situation. Or if you have ever even heard of me, but I would like you to answer a few questions for me. I feel directed to you as potential cabinet members in a future government by line 1132 of the Supreme Court of Canada's January 18/2001 decision which reads:

“The executive will undoubtedly, if it chooses to consider the matter, examine all of the underlying circumstances surrounding the tragedy of Tracy Latimer that took place on October 24, 1993”.

I would like you to answer the questionnaire that was put together by the police and prosecutors just prior to the trial of me in 1994. This questionnaire as well as much other material is shown on the inter-net @ ROBERTLATIMER.NET, on page 46. The Supreme Court decision is on page 145 of this site as well.

And the questions for me are:

1. Would you be in favor of police using this questionnaire to “CONFIRM GUILTY VERDICTS”, in the future, as it was used against me in 1994?

YES ___ NO ___

2. Are you in favor of allowing a prosecutor's medical assessments to overrule doctors testimony in a trial, or hearing?

YES ___ NO ___

3. Do you think I should be allowed to know the identity of a medical treatment if it is used as a legal instrument in Court against me?

YES ___ NO ___
